Introduction

Maharaja Jivajirao Shinde Mahavidyalaya, Shrigonda is always dedicated and committed to the overall development of students. Therefore, all departments are continuously working on students' satisfaction. On the basis of Student Satisfaction Survey conducted during 2023-24, the following actions were taken to identify major areas and to improve the overall teaching and learning experiences of the students.

Suggestions to improve the overall teaching-learning experience	Actions Taken
1. Kindly purchase more new books as per the NEP syllabus.	New books are purchased as a new NEP syllabus.
2. Arrange more skill-based hands-on training and workshops	Departments like Chemistry, Geography, and NSS have arranged skill-based hands-on training for students.
3. More Field visits, industrial visits, and study tours need to be arranged.	Departments like Geography, Botany, Zoology, Chemistry, and Commerce arranged field visits, industrial visits, and study tours.
4. Students are facing a lot of problems in opening ABC ID due to difficulties with the Aadhar card link, so please arrange a camp for the Aadhar link in our college.	To solve the Aadhar card link problem, the camp of experts was organized for studentsin campus.
5. Enhance LCD projectors and enhance computer facilities.	Two new computer labs have been set up and permission of the CDC is taken to purchase and set up the newsmart boards.
6. Arrange more co-curricular activities in the college.	The college has always tried to identify students' talents through variousco-curricular activities,short term courses like Raki-making, food festivals, Geo-Fest, NSS camps, Rangoli, Dance and Mehandi competitions and cultural programs. The students are motivated to participate in various competitions like Elocution, Debating, Quiz etc.
7. Install Interactive Panel in each classroom and laboratory.	As per the Sanstha guidelines the college proposes to set up 15 interactive panels in the classrooms.
